

**WILBER TOWNSHIP
IOSCO COUNTY, MICHIGAN
Ordinance No. 2025-001
Adopted 07/07/2025
Effective 08/21/2025**

An ordinance to protect the public health, safety, and general welfare by establishing regulations relating to the operation, control, maintenance, and management of cemeteries owned, controlled, or operated by the Township of Wilber in Iosco County, Michigan; to provide penalties for the violation of said ordinance; and to repeal all ordinances or parts of ordinances in conflict therewith.

**THE TOWNSHIP OF WILBER, COUNTY OF IOSCO, MICHIGAN
ORDAINS:**

Section 1. Title

This Ordinance shall be known and cited as the Wilber Township Cemetery Ordinance.

Section 2. Purpose and Intent

The Wilber Township Board recognizes and concludes that the proper and reasonable maintenance, appearance, and use of the cemetery owned by the Township is an important function of the government of the Township. It is also important that burials, disinterment, and other matters associated with a municipal cemetery are handled in a respectful and proper way to promote the safety, public health, and general welfare of the community. The Township Board finds that the adoption and enforcement of this Ordinance is in the best interests of the property owners and residents of the Township.

Section 3. Definitions

- a) A "cemetery plot" shall consist of an area in a Township cemetery sufficient to accommodate one burial space for one deceased person. It shall consist of a land area at least thirty-eight (38) inches in width and ninety-six (96) inches in length. Exceptions may be made with Township permission to accommodate an infant burial or the burial of cremains.
- b) "Township" means Wilber Township.
- c) "Township cemetery" or "cemetery" means any cemetery owned and operated by the Township.

Section 4. Sales of Cemetery Plots: Nontransferable

- a) Cemetery plots may be sold to Township residents, taxpayers, or

immediate family members of Township residents or taxpayers. No sale shall be made to a funeral director or others, except for those acting as an agent for an eligible purchaser. All sales must be approved and documented by the Township Clerk using Township forms, granting burial rights only – not real property title. Any such decision by the Township Clerk (either granting or denying a requested sale) may be overturned by the Township Board pursuant to Section 23 hereof.

- b) Plots are nontransferable, except through Township-approved processes. Such forms shall be signed by the Township Clerk or Deputy Township Clerk and shall constitute a permit when approved. Any transfer must comply with Township regulations.
- c) At the time of purchase from the Township, each cemetery plot shall be assigned the name of the specific person who shall be interred in that cemetery plot upon death.
- d) The Township Board shall have the authority to place a limit on the number of cemetery plots sold to a particular person, as well as such person's family and relatives. Furthermore, the Township shall have the absolute right and discretion to determine whether a particular cemetery plot or plots will be sold to a specific person and where such cemetery plot or plots will be located and within which Township cemetery. Such a decision shall be based upon reasonable factors, including, but not limited to, the number of vacant cemetery plots available and whether family or relatives of the person seeking to purchase a cemetery plot or plots are buried adjacent or nearby the cemetery plot or plots requested.
- e) The Township shall have the right to correct any errors that may be made concerning interments, disinterment's, or in the description, transfer, or conveyance of any cemetery plot, either by canceling the permit for a particular vacant cemetery plot or plots and substituting and conveying in lieu thereof another vacant cemetery plot or plots in a similar location within the cemetery at issue or by refunding the money paid for the cemetery plot to the purchaser or the successor of the purchaser. In the event that an error involves the interment of the remains of any person, the Township shall have the right to remove and transfer the remains so interred to another cemetery plot in a similar location in the same Township cemetery in accordance with law.
- f) The owner of every cemetery plot shall be responsible for promptly notifying the Township whenever that person's mailing address changes.

Section 5. Purchase Price for Cemetery Plots; Indigent Burials

- a) Each cemetery plot shall cost a fee in accordance with the Wilber Township Fee Schedule.

- b) All charges shall be paid to the Township Treasurer.
- c) The Township Board may waive some or all fees for the burial of indigent persons. Furthermore, the Township Board may set aside a portion of a Township cemetery or cemeteries for the burial of indigent people.
- d) The Township Board may by resolution periodically alter the foregoing fees to accommodate increased costs and reserve funds for cemetery maintenance and acquisition.

Section 6. Grave Opening Charges

- a) The Township may charge reasonable fees for the opening and closing of any cemetery plot, prior to and following a burial therein, and including the interment of ashes. Such fees shall be set from time to time by resolution of the Township Board, payable to the Township.
- b) No cemetery plot shall be opened or closed except under the direction and control of the Township Sexton or such other individual as is designated by the Township Board. This subsection (b) shall not apply to any grave opening, disinterment, or similar matter which is done pursuant to a valid court order or under the supervision and direction of local or state health department authorities; however, even in such cases, the Township Sexton shall be given at least twenty-four (24) hours' prior notice of when such grave opening or closing will occur.

Section 7. Markers or Memorials

- a) All markers and memorials must be comprised of stone or other equally durable composition and shall face the same direction as the markers and memorials around them.
- b) For purposes of this Ordinance, "monument" shall be defined as any marker, memorial, statue, or similar item which exceeds thirty (30) inches in height above normal ground level or which has a ground surface area exceeding thirty (30) inches in width (or forty-eight (48) inches in width for a double marker), with an overall height of no more than thirty (30) inches above ground level, including the foundation. No monument exceeding 30 inches in height or width (48 inches for double markers) is allowed without Township Board approval.
- c) Markers shall be no more than thirty (30) inches in width (or forty-eight (48) inches in width for a double marker), with an overall height of no more than thirty (30) inches above ground level, including the foundation. Individual markers for cremains shall be flush with the ground and shall be no more than twelve (12) inches by twenty-four (24) inches in size.
- d) The footing or foundation upon which any marker or memorial must be placed shall be constructed by person(s) designated by the Township

Board. Foundation placement is payable directly to the person(s) constructing the foundation. A permit for such work shall be set by a resolution by the Township Board, payable to the Township.

- e) Should any monument or memorial (including any monument or memorial that was in place before this Ordinance became effective) become unsightly, broken, moved off its proper site, dilapidated, or a safety hazard, the Township Board shall have the right, at the expense of the owner of the cemetery plot, to correct the condition or remove the same after 90 days of being notified by the Township.
- f) The maintenance, repair, and upkeep of a cemetery memorial, marker, columbarium, or similar item is the responsibility of the heirs or family of the person buried at that location. The Township has no responsibility or liability regarding the repair, maintenance, or upkeep regarding any such marker, memorial, columbarium, or similar item.

Section 8. Internment Regulations

- a) Only one (1) person shall be buried in a cemetery plot, except for a parent and infant child or two (2) children buried at the same time when approved by the Township Board.
- b) The Township shall be given not less than thirty-six (36) hours' prior notice in advance of any funeral to allow for the opening of the cemetery plot. The opening and closing of cemetery plots shall be done only by the Township or such person or persons as are designated by the Township.
- c) The appropriate permit or form issued by the Township for the cemetery plot involved, together with appropriate identification of the person to be buried therein and the burial-transit permit from the health department, shall be presented to either the Township Sexton or the Township Clerk (or designated Township official) prior to interment. Where such permit or form has been lost or destroyed, the Township Clerk must be satisfied, from his or her records, that the deceased person to be buried in the cemetery plot is an authorized and appropriate person for that space before any interment is commenced or completed.
- d) The surface of all graves shall be kept in an orderly and neat-appearing manner within the confines of the cemetery plot involved.

Section 9. Disinterment

- a) No disinterment or digging up of an occupied grave shall occur until and unless any and all permits, licenses, and written authorizations required by law for such disinterment or digging up of an occupied grave have been obtained from any applicable state or county agency, governmental unit, or official, and a copy of the same has been filed with the Township.

- b) The Township Board shall have the authority to refuse to allow a disinterment or the digging up of an occupied grave (and to refuse to issue a Township disinterment permit for the same) if the disinterment or digging up of an occupied grave is not done pursuant to a court order (issued by a court of competent jurisdiction) or does not have a reasonable or lawful basis.

Section 10. Winter Burials

- a) The Township may charge additional fees for winter burials.
- b) If a winter burial cannot occur due to inclement weather, frozen ground, or similar conditions, the deceased person may be kept in winter storage until a spring burial can occur. Written permission by the next of kin or authorized agent must be obtained prior to winter storage. All such winter storage costs shall be paid by the estate of the deceased person or the person's next of kin.
- c) No winter burials shall occur without the prior consent of the Township Sexton.

Section 11. Cremains

- a) Cremains may be buried in a container approved by the Township in a cemetery plot or in a columbarium that has been installed by the Township within a Township cemetery.
- b) No cremains shall be scattered or dispersed within a Township cemetery.

Section 12. Grounds Maintenance

- a) Flowerpots, urns, and grave blankets may be placed and maintained at the head stones of graves no earlier than May 1 and must be removed no later than October 1 of each year. Decorations will be permitted for holidays falling outside of these dates, but only for one (1) **week** prior and one (1) **week** following the holiday. Veteran flags and flag holders shall be governed by the Veteran's Administration rules and guidelines.
- b) No grading, leveling, or excavating within a cemetery shall be allowed without the prior permission of the Township Sexton or the Township Clerk. Furthermore, no trees, shrubs, landscaping, or similar plantings shall occur without the prior permission of the Township Sexton or the Township Clerk.
- c) No flowers, shrubs, trees, or vegetation of any type shall be planted outside of an urn. Any of the foregoing items planted without Township approval will be removed by the Township or the Township Sexton.
- d) The Township Board reserves the right to remove or trim any existing trees, plants, or shrubs located within a cemetery in the interest of maintaining proper appearance and the use of the cemetery.

- e) Mounds, bricks, blocks, and any borders that hinder the free use of a lawn mower or other gardening apparatus are prohibited and may be removed by the Township Sexton.
- f) The Township Sexton shall have the right and authority to remove and dispose of any and all growth, emblems, displays, containers, and other items that through decay, deterioration, damage, or otherwise become or are unsightly, a source of litter, or a maintenance problem.
- g) Surfaces other than earth or sod are prohibited.
- h) All refuse of any kind or nature including, but not limited to, dried flowers, wreaths, papers, and plastic flower containers must be removed from the cemetery within ten (10) days after a burial.
- i) No glass containers or items are allowed.
- j) Except for markers, memorials, flowers, and urns expressly allowed by this Ordinance, and veteran flags as authorized by law, no other item (including, but not limited to, ornaments, signs, trellises, statues, benches, landscaping, bricks, stones, grave border materials, or other structures) shall be installed or maintained within a Township cemetery, nor shall any grading, digging, mounding, or similar alteration of the ground or earth occur except as authorized by this Ordinance or by the Township Board.

Section 13. Disclaimer of Township Liability and Responsibility

- a) Every person who enters, remains in, and travels within a Township cemetery does so at their own risk. The Township is not responsible for any injury, accident, or other calamity that might occur to any person present in a Township cemetery. Furthermore, the Township is not responsible for any damage or vandalism to, theft of, or deterioration of any burial monument, headstone, flower urn, or other item placed at or near a cemetery plot, burial site, or anywhere in a Township cemetery. The purchaser or transferee of any cemetery plot or the equivalent (and all subsequent transferees, assigns, heirs, or beneficiaries) hereby releases, waives, and shall indemnify and hold harmless the Township for, from, and against any injury, damages, causes of action, claims, costs, and expenses, including, but not limited to, reasonable attorney fees, associated with, relating to, and/or involving the cemetery plot or similar right, any headstone, monument or similar items, and any matter related to the cemetery involved. Such waiver, release, and hold harmless obligations shall apply not only to the Township, but also to the Township Sexton and any Township employee, officer, official, and agent.

Section 14. Forfeiture of vacant cemetery plots or burial spaces

- a) Cemetery plots or burial spaces sold after the effective date of this Ordinance and remaining vacant for sixty (60) years or more from the date of their sale shall automatically revert to the Township upon the occurrence of the following events, per MCL 128.13:
- b) Notice shall be sent by the Township Clerk by first-class mail to the last known address of the last owner of record, informing him/her of the expiration of the sixty (60)-year period and that all rights with respect to said plots or spaces will be forfeited if he/she does not affirmatively indicate in writing to the Township Clerk within sixty (60) days from the date of mailing of such notice of his/her desire to retain such burial rights; and
- c) No written response to said notice indicating a desire to retain the cemetery plots or burial spaces in question is received by the Township Clerk from the last owner of record of said plots or spaces, or his/her heirs or legal representative, within sixty (60) days from the date of mailing of said notice.

- b) Cremains shall be in a container approved by the Township.
- c) Green Burials: The State of Michigan permits green or natural burials, which involve minimal environmental impact and may not require embalming or vaults under state law. This requirement applies regardless of whether the burial is classified as "green," natural, or conventional. Requests for green burial methods may be reviewed by the

Township Board on a case-by-case basis, but any waiver of the vault requirement must be expressly approved in writing by the Township Board and shall not be inconsistent with the public welfare or maintenance standards of the cemetery.

The Township Board (or its designee) is also authorized to waive application of the strict letter of any provision of this Ordinance or any rules or regulations promulgated under this Ordinance where practical difficulties in carrying out the strict letter of this Ordinance or any rules or regulations related thereto would result in hardship to a particular person or persons or the public. Any such waiver, however, must be of such a character as it will not impair the purposes and intent of this Ordinance.
