New Business:

The clerk reported that our auditors will be here on Monday, May 16th to begin our biennial audit; he also relayed that all election inspectors, the elections clerk, and clerk will be attending election certification training that is required every two years, and is necessary in order to work future elections.

The supervisor reviewed the proposed road projects as recommended by the Roads Committee; moved by White, seconded by Pingot to approve all. Roll call vote was taken. Five ayes, no nays, and no absences.

Moved by White, seconded by Nunn to approve the agreement from Tawas Area Schools for summer tax collection. All ayes, motion carried.

Unfinished Business:

The county commission districting that we were notified as placing Wilber Township in two districts 1 and 4) was clarified. The county commission boundary and the township boundary are not in sync, and consequently a very small portion of Wilber is in District 4. However, it is vacant land with no one living there, so at this time, irrelevant. Therefore we're still in District 1.

Adjournment Moved by Pingot to adjourn at 7:39.
