**New Business:**

The clerk reported that the county clerk has been notified that the Oscoda School District is having a special election on November 5<sup>th</sup>. Therefore, our scheduled meeting for that date, per our policy, should be the following Monday, or November 11<sup>th</sup>. This is a holiday (Veterans Day), but the board agreed to meet anyway, rather than postpone another week or not have a November meeting. Board agreed we should get quotes for crack sealing and seal-coating the parking lot.

**Unfinished Business:**

Resolution 2019-010, To Establish a Special Assessment District for Weed Control on Indian Lake was offered by Mark Nunn, supported by Steve Ferguson. Roll call: Four ayes, no nays, and one absent. The resolution was adopted. It will continue weed control for controlling the spread of nuisance and invasive vegetation for five years, 2020 through 2024.

Motion by White regarding (Big) Island Lake: Given that the statutory requirements of PA 188 of 1954, as amended, in which more than 50% of the lakefront property owners on Island Lake have signed petitions to treat Island Lake for nuisance weeds and muck mitigation, move to advance the process forward to the next steps: a Public Hearing for approval of the project, and a Special Assessment Hearing to establish the Special Assessment Roll. Roll call: Four ayes, no nays, and one absent. The motion carried.
