**Proposed Minutes**

**Unfinished Business**

The insurance claim that was filed with our insurance carrier (Lappan Agency in Alpena) for the damaged water well pipe was discussed. The Claims Adjuster had notified the Supervisor that there is no coverage for anything below the ground, or beyond 2,000 feet away from the building. The total amount of coverage offered towards a new well is \$2,550, the approximate amount for the damaged stand pipe. Graves Well Drilling had also told the Claims Adjuster that the well was not repairable

Moved by Pingot, seconded by Pingot, to approve the installation of a new well, in the amount of \$7,690, less the \$2,550 insurance payment.

A roll call vote was held regarding this action.
